

CLASS REGISTRATION INFORMATION

*****PLEASE READ & KEEP THIS PAGE FOR YOUR REFERENCE*****

THE FOLLOWING THREE (3) ITEMS ARE REQUIRED TO ATTEND A TRAINING CLASS:

- 1. Payment, in full, is due at registration**
- 2. Proof of required vaccinations (see below) from a licensed veterinarian**
- 3. Your dog's completed questionnaire**

PLEASE NOTE THAT YOUR REGISTRATION IS NOT CONFIRMED UNTIL ALL THREE OF THE ABOVE ITEMS HAVE BEEN RECEIVED BY DOGSMARTZ. UNTIL YOUR REGISTRATION IS CONFIRMED, YOUR SPOT IN A CLASS IS NOT GUARANTEED.

Dogsmartz will call your veterinarian to obtain vaccine records. Please provide us with the name of your veterinarian so we may contact them as soon as possible. Some veterinarians may require pet owners to give permission for records to be released. If Dogsmartz contacts you about this, please call your vet and give them permission to fax records to us. If you have vaccine records that your vet does not have (from a rescue, shelter, breeder, etc.) please fax, email, or bring to our facility as soon as possible. Remember that we cannot confirm your registration and guarantee your spot until we have vaccine records on file. Dogsmartz accepts vaccines given by a licensed veterinarian (given at an office, mobile clinic, or vaccine clinic), shelter or rescue, or breeder (for the first set of puppy shots). We DO NOT accept any vaccines administered by a pet owner at home.

See below for a list of required vaccines* per age group:

7-11 weeks: First DHPP vaccine, bordetella for all puppies at least 8 weeks, and a negative fecal.

12-18 weeks: Two DHPPs, bordetella vaccine, and a negative fecal. Leptospirosis is recommended but not required.

5 months and up: Three DHPPs, rabies, bordetella, and a negative fecal.

Any dog one year and older must have a current DHPP vaccine (done every 1 or 3 years depending on your vet's protocol) and rabies done according to state law. *While we strive to keep everyone healthy, there are limitations to the bordetella vaccine and fecal checks. With bordetella, your dog can still get the disease, just a milder case. Typically bordetella is not life threatening. When a fecal exam is performed, they are only looking at a small amount of the stool sample under the microscope, so a negative fecal does not guarantee that your dog (or others in your class) are truly free of internal parasites.*

***Please note: This is our vaccine protocol. If your veterinarian does something different, you must still have these done. This vaccine protocol is supported by AAHA's (American Animal Hospital Association) vaccine recommendations. If this is your dog's first bordetella vaccination, there is a waiting period before it is considered effective so that your dog can attend class. The waiting period is different for the three different forms of the vaccine. For the oral form, it is 72 hours. For the intranasal form, it is 7 days. For the injectable form, it must be boosted 2-4 weeks after the initial vaccine, and there is a 7 day waiting period AFTER the booster. The bordetella waiting period must be met before your dog can attend class. If your dog needs to get the bordetella vaccine, we recommend checking with your vet prior to registering to see what form of the vaccine they use, so you can determine what date your dog will be able to start classes.**

If Dogsmartz does not receive your vaccination records or if your dog does not have the required vaccines, we can not accept your dog into class. All vaccinations must be administered by a licensed veterinarian. We will be happy to reschedule you for another

class to allow enough time to comply with our vaccine requirements. NO EXCEPTIONS WILL BE MADE. This is for the safety of your dog as well as all other classmates.

If your dog comes into her heat cycle while attending classes, you will have to suspend your attendance to class for approximately three (3) weeks until the heat cycle is complete. After her heat cycle is finished, we will be happy to put you into a make-up class for the weeks that you missed.

NOTE: We reserve the right to cancel any class in which there aren't enough confirmed students or there are too few students to constitute an ideal learning environment. If this happens, we will gladly switch your registration to a different class at no additional charge.

Payment Policy: Payment is due in full when registering for a class, due 24 hours from the time of registration. We accept cash, check, and all major credit cards. Return check fee is \$35.00, plus any additional fees we incur.

Please note: For specialty classes, there is a 50% transfer fee if changing from your originally scheduled class within one (1) week of your class beginning. This applies to:

- Fearful and Shy (all levels)
- Reactive Dog (all levels)
- Get Control! (all levels)

For all other classes, a \$45 switch fee will be applied if changing from your originally scheduled class within one (1) week of your class beginning.

REFUND POLICY: There will be no refunds on classes, packages, private sessions, or drop and train sessions. If a class change is needed, on the part of the owner, a credit will be applied to your account less any switch/professional fees. If the dog is being rehomed, this credit will be transferred to the new owner. Any credits made must be used within 6 months or they will be forfeited. If a class is cancelled due to low or no sign-ups, clients will be provided a full refund.

Class Repeat Fee: If a trainer suggests that you repeat a class you have already taken, it may be offered at 50% of the full class fee. This discount is solely at the discretion of the trainer.

Make-Up Class Policy: We will offer in-person make-up classes for puppy classes only, if there is open availability. For all other classes, we will either provide videos or a written curriculum for you to practice at home.

Discounts: Any coupons or gift certificates must be presented at the time of payment. Gift certificates and/or coupons can not be accepted as a deposit. A 10% Senior Citizen, Shelter Dog, and Military Personnel discount is offered, and **may not be combined with any other offer**. Discounts do not apply to private training, drop off and train or day camp sessions.

Handouts: We can print out any class handouts for an additional \$5 fee.

Please bring the following with you to class:

- Your dog on a regular collar or harness. **No chokers, shock or pinch collars permitted.**
- Regular 4' or 6' leash (no retractables or flexi style leads)
- Variety of treats
- An open mind, ready to learn!
